

Community Business Beautification Program
Coös ECONOMIC DEVELOPMENT CORPORATION
P.O. BOX 205, LANCASTER, NH 03584

General Information

Periodically, Coös County may make funds available through Coös Economic Development Corporation (CEDC), a N.H. Regional Development Corporation. CEDC is then obligated to prudently disburse these funds to eligible applicants in support of economic development throughout the county. The **Community Business Beautification Program (CBBP)** is one of the several impactful programs CEDC has created to disburse these funds. The following application is intended to give structure to the application process.

Program Goal

To assist Coös County businesses by making available grant and / or loan funds targeting exterior improvements for the business so that communities across Coös County will attract more customers and improve perceptions if the businesses within them improve their image.

CEDC will grant up to **\$2,500**, to be matched 1:1 from the business, for items such as: exterior renovations, landscaping, and signage. (If the grant is \$1000, the match is \$1000, etc.)

If necessary, CEDC may also make available 24-month microloans designed to satisfy the minimum grant match requirement for each applicant that may not have the resources to do so on their own.

Note: If adjacent businesses each apply for this grant, all applicants will qualify for a **50% reduced grant match requirement** as determined by the CEDC Grant Committee. If the applicants are in very close proximity to each other, but not adjacent, consideration will still be given for a match reduction.

Eligibility

The CEDC Community Business Beautification Program will accept proposals from for-profit businesses in Coos County operating within a high traffic areas, as determined by the CEDC Board of Directors.

Businesses that have been awarded a previous CBBP grant are limited to 1 application every 3-years.

Evaluation Criteria

Applications will be evaluated based on a points system described below in the Grant Application Narrative Requirements section.

Key Dates

This program has a rolling application process and applications will be evaluated on a first come, first served basis. This grant is capitalized by CEDC in the amount of \$15,000, so applicants are encouraged to apply early in the Organization's fiscal year (January 1 – December 31) to access the largest pool of available funds.
